Contra Costa County Builders Have Big Banquet; Two Men Win Places On City High School Board

BEST HAS SOLD HOME LAUNDRY INTERESTS AND WILL TAKE REST

J. M. Best, for ten years president and manager of the Home Laundry, at Sixteenth and Nevins, has sold his interests in the company to A. J. Nystrom, and has formally severed his connection with the company.

Will Remain in Richmond

"O no, I am not going to leave Richmond. I like the town; I like the people; I like the schools. I am merely going with my wife and four kids on a motor trip to Seattle and Portland for sixty days. We will visit friends and relatives in the north, take it easy for awhile, and come back to Richmond," Jack Best told the Record-Herald last night.

Fair Consideration Paid

The price paid was a "fair consideration," said Best.

The sale was accomplished several days ago.

He said that after his vacation in the North he intends to re-enter business in some of the East Bay cities. Probably San Francisco or Oakland.

"I have an option on several attractive offers, and will accept one or the other later on," said Best.

No Change in Laundry Policy

The Home Laundry will continue as heretofore. There will be no change in policy. A. J. Nystrom and A. L. Tipton and their associates will carry the business on practically as heretofore.

Jack Best has been a well-known and deservedly popular figure in Richmond's business, social and club life for ten years. His home has proven a happy rendezvous for many merry gatherings, and the numerous friends of his and his family will be glad to know that they will continue to live in Richmond.

Best came here from Seattle.

He will be accompanied on his trip by Mrs. Best, and by his two daughters, Mrs. Marshall Glavinovich (Myrtle Best), Miss Mildred Best and by his two boys, Jack, II, and Jimmy.

Golf Greens Ready For Country Club

Secretary E. F. Loudeck of the Berkeley Country Club has given notice to the members of the club that the eighteen greens and fairways are completed and ready for play, and that the first ball will be driven from No. 1 Tee by President C. A. Ferrin, at 1 o'clock this afternoon, after which a match between two teams chosen from the members by two captains will take off. Following that other members and their guests will be invited to play. Tournaments are being arranged by committees appointed for that purpose. The golf course of the club is changed every day.

Manuel Souza Is Sued For Divorce

Manuel Souza, of San Pablo, wrongfully accused his wife, Rose Souza, of infidelity, and even went so far as to accuse her of poisoning letters to men whenever he found her writing a letter, according to a suit for divorce instituted by the wife. The couple married in 1913 and have a daughter. The asks the court to award her community property at San Pablo valued at \$2000 and custody of the child.

Kurtz And Mergenthal Successful Candidates For High School Trustee

"I am going to try to do right," said S. B. Kurtz, successful candidate for high school trustee to the Record-Herald last night, when informed that he had lead the ticket.

Kurtz Leads Ticket
Kurtz received a flattering total of 783 votes, leading H. W. Mergenthal by 118 votes. Mrs. K. A. Cole, the only woman candidate, and whose name had been written in, received 359 votes. These figures do not include Sheldon and Orinda Park, remote rural precincts, whose totals will be small and cannot affect the result.

Election Good Natured

The election was good-naturedly conducted.

The women rallied valiantly to the banner of Mrs. Cole. Many calls came into the office of the Record-Herald last night. Obviously regrets were voiced by the women that their candidate had lost, but in view of her late entry into the race, coupled with the fact that she was a write-in candidate, her race is highly flattering to her personality.

Kurtz Well Known

S. B. Kurtz, who declares that this is his first candidacy for any office, is well known to the people of this city. He has resided here for 11 years, and is a factor in retail business circles of the city. He is a native of New York City, but came to California 26 years ago. Ten years he lived in Los Angeles, and five years in San Jose, before coming to Richmond. He is an Elk, a Shriner, a Spanish War veteran, a member of the Eastern Star, and as he expressed it "member of the home club."

His family consists of his wife, one daughter, Miss Adele Kurtz, who is an instructor in music and one son, Sigmond, a student at the Richmond high school.

Mergenthal 10 Years on Board

H. W. Mergenthal, who succeeds himself, is an employee of the Standard Oil Company. He has been a trustee of the Richmond High School for the past ten years.

NEW COMPANY TO MAKE 1,000 GALLONS OF ICE CREAM DAILY

One thousand portions of ice cream will be the daily output of a Richmond factory which will begin operations when a new corporation takes over the Polar Ice Cream Company on Hesper Avenue. The new company expects to begin operations about April 15, with a force of probably 20 people.

Constantine and Peter Barbas, Richmond wholesalers, and B. J. Clark and Frank Clark of Clark Bros., National Avenue confectioners, with five men prominent in the ice cream business in Berkeley, have effected a purchase of the Polar Ice Cream Company from S. L. Phillips.

The new company will have ample capital to conduct their business in a thoroughly modern and competent manner, and will cater to the trade of Richmond, Contra Costa county, Oakland, Berkeley and Alameda.

They plan to purchase most of their milk from an Oakland dairy. Other materials, whenever possible, will be purchased in the Richmond markets.

The ice will be bought here.

The local promoters are all well known in the business and financial world of Richmond, and enter into their new enterprise with full confidence and assurances of success.

They will spend a lot of money in remodeling the plant and enlarging it to suit their needs.

They have taken a five-year lease on the property.

Clare D. Horner headed the committee in charge of the music and floor arrangements.

It is planned to give more of these enjoyable affairs at the close of the shrine convention to be held in San Francisco in August.

The committee in charge of the affair was made up of Charles A. Green, chairman; Mr. and Mrs. H. A. Stiver, Mr. and Mrs. Otto Poulsen, and Mr. and Mrs. R. Armstead.

The committee in charge of the banquet consisted of Mrs. C. A. Green, chairman; Mrs. Leslie Black, Mrs. George Paisley, Howard Flint, Oliver Taver and W. Westopher.

SHRINE DANCE AT CLUB HOUSE ATTRACTS BIG ATTENDANCE

A great success greeted the formal dance given by Aahnes Temple of Oakland last evening in Richmond Clubhouse. The affair was given for the Richmond members of the Temple, and an invitation had been extended to all Knights Templar and 32-degree Scottish Rites Masons. Among the many visitors were Potentate T. W. Norris and wife of Livermore, and Chief Rabban O. Fisher and wife of Alameda, and Dr. Herriek of Oakland.

Miss Mabel Axelsson, Richmond's nominee for queen of the Mardi Gras festival to be held in Oakland starting April 24, was also present and received assurances of support from the many in attendance.

The ballroom was very beautifully decorated with green and gold streamers. The music was furnished by Cliff Hurdle's popular orchestra. Following the dancing, a very elaborate banquet was served.

High School Dramatic Club Present Play

Playing to a packed house at Lincoln Auditorium last night, the Richmond High School Dramatic Club gave a delightful interpretation of "Green Stockings."

In truth, the performance surpassed any efforts in theatricals undertaken by this organization since they made their formal debut.

The star of the cast was Lella Hasson, who, as "Celia Faraday," gave a happy portrayal of the difficult role.

Miss Hasson has successfully essayed numerous difficult roles since first she appeared in high school dramatics three years ago, but she showed greater poise and sympathy last night than in any other roles assigned her.

Kenneth Mathieson, playing opposite the star, as "Colonel Smith," handled his cues and read his lines capably.

The cast in its entirety showed an intelligent grasp of their respective parts.

The cast:

Colonel Smith, Kenneth Mathieson, William Faraday, Arthur Cramer, Robert Tarver, Clyde Casady, Admiral Grice (retired) Warren Innis.

James Raleigh, K. Dale Hall, "usurper" woman, Joseph Smith, Martin, Charles Conannon, Celia Faraday, Lella Hasson.

Mrs. Christine Faraday (Lella Hasson), Ruth Robinson, Phyllis Faraday, Jeanne Misher, Lady Evelyn Trenchard, Bertha Floyd.

Mrs. Rockingham (Madge), Helen Axelsson.

The High school orchestra, under the direction of George M. Morris, gave the following well-balanced program:

PRELUDE:

March from "Aida" Verdi

Sextet from "Lucia di Lammermoor" Donizetti

ENTRE ACT:

"When Shall We Meet Again?" Remick & Co.

"Tennessee Moon" Sherman, Clay & Co.

ENTRE ACT:

"Stealing" Leo Feist, Inc.

"Good-Bye Shanghai" Leo Feist, Inc.

EXIT:

March, "Modern Master" Barnard

Richmond Chapter, Order of De Molay, met last evening in Masonic hall and conferred initiation and De Molay degrees on a class of 22 Master Councillor Otto Ludwig presided over the ceremonies.

It was decided to hold all meetings in the future on the second and fourth Wednesdays of each month at Bank hall. The next meeting will be held on Wednesday evening, April 12. The new officers will be installed on that date. All members, their families and invited guests, all Masons and their families are cordially invited to attend. A dance will be held after the installation, the music to be furnished by the De Molay orchestra.

H. A. Johnson Takes Over Ins. Business

H. A. Johnson, conspicuous figure in avenue realty and insurance circles, has taken over the entire insurance business of the Contra Costa Realty Company, to which he will devote the bulk of his time hereafter. Johnson will retain his stock in the Contra Costa Realty Company and will continue to look after its business in Richmond.

BANQUET FOR BUILDERS IS ATTENDED BY ONE HUNDRED

The first annual banquet of the Contra Costa County Builders' Exchange held in the parlors of the First Christian church last night attracted a guest list of 100 men.

The parlors were made bright and attractive by the use of California flowers and vines, and a delightful course dinner, served by the Organized Women of the church, made that subtle appeal to the masculine senses which attuned the speakers to pleasing efforts, and put the hearers in a frame of mind to understand and applaud.

P. M. Sanford, Toastmaster

President P. M. Sanford was toastmaster, and introduced the speakers in brief but happy manner.

Max Kuhl, of San Francisco, and attorney for the Industrial Association of that city, discussed illuminatingly the American Plan and what it has done for the city by the Golden Gate. He was heartily applauded.

Warren H. Higgins, manager of the California-Hawthorn Sugar Company's Crockett refinery, gave an interesting talk.

Mayor Garrard Talks Water

Mayor E. J. Garrard told some facts about the water problem of the East Bay cities, giving particular attention to the Hetch Hetchy and the El Estero projects.

Other speakers were President Sanford of the Builders' Exchange, and William Hague, secretary of the Oakland Builders' Exchange.

Shaw's Orchestra Helps

D. J. Shaw's orchestra contributed many delightful musical numbers to the evening, and songs by Archie Winchcole, of Richmond, and William Mahin of Oakland, got hearty hands.

Those present were Dr. Thomas A. Boyer, minister; Mayor E. J. Garrard, P. M. Sanford, Warren H. Higgins, Max Kuhl, E. M. Tilden, Vere W. Hunter, B. J. Ballantyne, A. C. Durlock, A. Nelson, F. A. Mero, E. H. Higgins, H. W. Clear, Walter D. Rihn, Bert Curry, Lou W. Schroeder, A. H. Winchcole, G. F. Ingram, F. F. Flood, V. G. Blake, H. Millard, P. C. Spierach, John I. Collins, Frank Anzer, L. Irving, L. C. Dexter, James Walker, F. McCauley, J. E. Schilling, E. W. Olin, T. Nielsen, C. Redwood, R. Johnson and F. A. Mayfield.

Successful Committee

The committee whose efforts made the banquet the brilliant success was composed of E. H. Higgins, chairman, Joseph J. Burdon, R. J. Ballantyne, F. Spierach, Lou W. Schroeder and James Walker.

SATURDAY SUMMARY

Our American system of justice is getting to be a farce, a travesty upon justice and wholly lacking of common sense. Some other system should be devised. The average person, drawn at random and by ballot, knows nothing whatever about law, or the rules of evidence. They are easily swayed by adroit attorneys, who train themselves to do that very stunt, and the result is that the emotions, which have been kept up to a high pitch for that purpose, rule, instead of common sense. In Switzerland the jurors are elected and serve a term of years. They are selected because of their good judgment in matters general and usually come from the ranks of the hard-headed business men. This would be preferable to our system of picking up anybody who does not read the newspapers and consequently has not heard of the matter at bar, or who, frequently, has not formed an opinion for the reason that he has nothing out of which to form it.

If a person is guilty of committing a murder, that person should be punished, if sane; and if not sane, then he should be locked up somewhere for a sufficient length of time to ensure his return to his sanity, and not be turned loose again upon the community to run around and kill somebody every time his wits get to working the wrong way. When a murder is committed there is a cause for it, and that cause should be righted. That the person or persons committing such a deed should be entirely freed is nothing less than absurd. He is either guilty or crazy, and in either event he should receive proper attention. There can be no such thing as "not guilty" in such an event. The person killed is dead, and somebody is guilty of it. The reason for this guilt should be established, and if it be insanity, then the asylum is the place to effect a cure. A verdict of not guilty does not cure anything, but it leaves the party or parties implicated free to do it over again if they choose, and, incidentally, suggests to other that they may commit the same act and get away with it. The average jurymen has no business being entrusted with such grave matters as law, evidence and technical knowledge of matters of which he knows next to nothing.

The way they are looking gold mines up around the Grass Valley, Nevada City and Marysville country, where a Richmond syndicate is opening up what now has the appearance of being a big mine, is something fierce. A few months ago \$65,000 in gold bullion was made away with by robbers and nobody has ever been caught up with about it yet, although the mining company offered a big cash reward. And now a bunch of men have been arrested at Grass Valley who were plotting to rob the North Star and other mines there, kill the guards and get away with the gold retort. The gold is caught on the mill plates and the amalgam is then made into a retort, which is unrefined gold of the value of about \$17 an ounce. These retorts are taken to the mint in San Francisco and cashed, and they make a very stirring bait for hold-up men, as many thousands of dollars worth makes but a small bulk. When we get a mill built and in operation next fall, we can see where some guards and sawed-off shotguns are going to be needed. Diggins!! A fellow don't know whether to stay poor or get rich these days. If he stays poor he is safer than if he gets rich, and then again he might about as well be dead as poor, and there you are, it's a hard problem. Guess we'll split the difference.

The mayor of Oakland is in rather a nasty mess, owing to the constant accusations on the part of the Post-Enquirer there to the effect that he has just juggled the money of the people in several ways. The newspaper claims that the money subscribed for the big stadium ball, a part of which went to buy automobiles for prices, has been misappropriated, and that one of the autos so bought was sold, then recovered, and has never been given to the party who won it. Also that a house, and lot for a museum was purchased at \$150,000 when it had been offered at \$50,000. The mayor makes no reply whatever, and the paper harpoons him about it every few days. We do not know anything about the matter, but it would

seem as though the mayor ought to make a statement about what becomes of the people's money, and if he is in the right to make it plain. If the newspaper is right, the mayor ought to be recalled and kicked out of office, and if the newspaper is wrong, then it should be made to pay the penalty. They can't both be right. There is a nigger in the Oakland municipal woodpile somewhere.

As one means of reducing the amount of local unemployment, it would be a good plan for a campaign to be launched which would cause the citizens generally to "paint up, spruce up, and be clean." Spring is here and this is the time to use paint, clean up all the unsightly rubbish, make gardens and beautify the homes and the town in general. A casual look around the city reveals the need for a vast amount of this sort of work, particularly for the painting of hundreds of buildings. Scores of boarding and rooming houses have been permitted by landlords to deteriorate, because paint and building materials and labor have been high, and the owners have been waiting for more favorable conditions to make the repairs needed. The result is that many of these buildings have become eyesores to some of the best streets in the city, when by the use of a little paint and lumber they could be vastly improved.

This work ought to be undertaken now, not only to aid in relieving unemployment and for the benefit and convenience of residents in the property, but for the benefit of the owners themselves. It is false economy to permit any wooden surface exposed to the weather to go unpainted. A few dollars expended now will prevent much larger bills later on. Material prices have come down, labor is earnestly seeking employment, and rents are profitable. Also individual home owners who have failed to keep up their property will find this a propitious time to repair and beautify their homes. A revival of a civic pride on a big scale is needed, and if half was done that ought to be done there need be no unemployment in Richmond. If you can't do anything else, plant some trees, some vegetables and some flowers. They all pay big.

We of Richmond need have no fear for our future prosperity, for Richmond is an important part of California industrially, and California has the brightest future ahead of it of any state in the Union, as the facts and figures show. Fifty years ago the population of the State was only 90,000; today it is crowding 4,000,000, and still there is less than 20 people here to the square mile. There are about 20,000,000 acres of arable land. There are 18,000,000 in valley and the balance foothills. When it all gets under cultivation the income from it will be two billion dollars annually. Just think of that, and then consider that with the stock raising and the gold mines another \$20,000,000 annually is handed out, and we get a faint idea of what grand results are to be attained for the California of the near future. If the population of this State was equal to Illinois in density per square mile, we would have 16,000,000 people; if the same as New York, 20,000,000; Massachusetts, 65,000,000; Rhode Island, 80,000,000; and yet at present there are less than 4,000,000 of us here to take advantage of all these vast agricultural, live stock and mineral riches. But we are gaining in population right along. In the past ten years the whole country gained 21 per cent, whereas the Pacific coast gained 89 per cent. We are rapidly supplying all parts of the world with green, dried, canned and fresh fruits and vegetables, and the gold mining areas of our mountains have only been scratched over as yet. Millions more of that gold awaits the labor of those who are willing and who know how to dig it out. And the demand for all kinds of California products has always been greater than the supply. In the next few years there will be a commercial development on this Pacific coast heretofore unheard of in the history of the West, and possibly of all the world. All that we who are here have to do is to look around and take advantage of the opportunities which abound on every hand and all around us. Richmond's industrial future is already assured, and new factories coming each

year will continue to increase our payrolls and our population. The development of our harbor is destined to be a big factor in this. And those of us who want to do something else than manufacture, have the whole State spread out in front of us for our activities, either in agriculture or mining, and when the whole Pacific ocean flows

peaceably along at our back door, bringing in ships seeking cargoes and stocked with sea food for our tables. The lumber camps, the farms, the orchards, and vineyards and the gold mines all want more men right now, and nobody need be out of employment in California if he will hit the hike and look around.

Priscilla Dean Delights Crowds As The Macdonald

As commanding in the open wastes of the Transvaal as in the drawing room of an English manor, Priscilla Dean surpasses her own former screen selves as Lady Vivienne in the Universal Jewel attraction, "Wild Honey," based on the popular novel by Cynthia Stockley.

Playing opposite Miss Dean is Robert Ellis, an actor of ability and agreeable personality. The two black-bued roles are portrayed by Wallace and Noah Berry, brothers in screen "crimes." Lloyd Whitlock, Landers Stevens, Carl Stockdale, Raymond Blatway, Helen Raymond, C. J. Frank and Harry DeRoy handle principal roles with excellent spirit.

The plot's action ranges through two main locales, aristocratic English neighborhoods and the wider spaces of South Africa. Lady Vivienne goes to the Transvaal to find out the true value of land in which her father sank his entire fortune before he died. Coming into contact with the fierce venom of unrestrained and brutal nature, the rough characters of the country and the bitter reality of haying worthless land as her only wealth, Lady Vivienne is brought down to a realization of what is worth while. And that, naturally, gives the cue to an uncommonly interesting love story. There are numerous melodramatic thrills in the rescue scene, which is startlingly picturesque, the finale are a flood and realistic.

"Wild Honey" played to large and pleased audiences at the Macdonald last night, and will be seen there at today's matinee and tonight for the last time.

SAN FRANCISCO, March 31.—There have been less eggs produced this year, rather than more as was expected, according to J. H. Barber, general manager of the Egg Association. Last year up to March 24 there were 231,570 cases reaching San Francisco, while this year the amount is off 40,963 cases.

It is possible, according to Barber, that the heavy spring production has been delayed. He expresses the opinion that the low mark has been reached for 1922, and that there has been a vast increase in consumption of eggs.

In wholesale trading today butter was steady, while eggs were easier.

Salts is fine for Kidneys, Quit Meat

Flush the Kidneys at once when Back aches or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders, come from sluggish kidneys.

The moment you feel a dull ache in the kidneys your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

Be Sure You're Right

Your battery may seem to be so full of life that you may conclude everything is O. K.

But it pays to be sure, because batteries sometimes die very suddenly, right when they seem to be in the best of health.

Here at Battery Headquarters we know the facts before we tell you either that your battery is in good shape or that it needs repairs or replacement.

PINOLE

METHODISTS WILL JOIN LIONS IN "GO-TO-CHURCH SUNDAY"

There will be a special service at the Pinole Methodist Episcopal church Sunday morning.

The idea has been taken from the fact that the Lions are to hold a "Go-to-Church Sunday" April 2.

The services Sunday are in the nature of a celebration because of the fact that the Sunday school was recently freed from debt. This has seemed to bring good times in general to the church and attendance has been steadily growing. The goal for the church attendance for the month of April will be an average of 50 members present at each service.

The morning sermon subject will be "The Humanity of Jesus." This subject is the next to the last of a series that Reverend Rogers has been giving for the past few Sundays. The previous sermons have been on the life of Jesus as follows: "Christ's Divinity," "Christ in Prophecy," and "Christ in History." The last of the series will be given on Easter Sunday, the topic being "The Resurrection of Jesus."

SINGER CHARMS HER AUDIENCE

"Oh, Alice, did you hear Galli-Curi? I could float straight to heaven listening to her sing. My! It must be wonderful to have a voice like that. If I could sing like she does I wouldn't have to worry about any ordinary things and whenever I felt that I had any troubles of any sort I would just sing and would be charmed by my own voice."

"Yes, that's all very well, but you had better come down to earth and remember that you and the most of us mortals aren't so favored by fortune. We haven't any voice to make people love us, so we have to resort to other means. By the way, that reminds me that I am in the depths of despair over the clothes problem. Dick sort of gave my old black party gown a funny look the last dance we went to and I know he was ashamed of me. I know men like girls who are snappily dressed. I wish I could wear something new when I see Dick again, but I can't afford it."

"Yes, you can if you go to Cherry's. I saw an adorable beaded party dress of a sort of orange color crepe that would be stunning with your black hair. Buy it on credit and pay monthly. You can practically arrange your own terms. They're at 515 13th street."

Sulphur Clears up Rough or Red Skin

Face, Neck and Arms. Easily Made Smooth. Says Specialist.

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Mentho-Sulphur from any good druggist and use it like cold cream.

Healing Cream Stops Catarrh

Clogged Air Passages Open at Once—Nose and Throat Clear.

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get My's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head and membranes. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more sneezing or snuffing. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.—Adv.

Boy Scouts Get Fine Gift; Make Plans For Another Troop

Scoutmaster J. E. George of Troop No. 1, Boy Scouts of America, had a fine meeting of his troop at their headquarters at the Point last night. Five of the new boys successfully stood the "tenderfoot" test, and many of the other boys were given various additional tests.

Scoutmaster Harold Garrard of Troop No. 2 gave the boys an interesting talk on Scout work.

The boys were delighted at a gift from H. C. Adair of 17 volumes of Hildreth's History of the World for their library.

James Redman was appointed as assistant to Scoutmaster George.

George gladdened the hearts of the Scouts when he informed them that he had secured enough shelter tents for the troop on their annual outing next summer.

There is a nucleus for another troop. In fact, half enough already, and on next Friday evening there will be a meeting when the new troop will be formed.

M. E. Junior Choir Enjoy Banquet in Church Parlor

A very enjoyable banquet was held by the members of the Junior Choir of the First Methodist church Thursday evening in the church parlor. An enjoyable evening was spent in games and a social time.

Those present included Ruby Condon, Rose Condon, Wanda Wilson, Edna Wilson, Ruth Weston, Ellen Burton, Thelma Cartmill, Bert Childs, David Owens, Robert Owens, Argyle Adams, Edward Montgomery and Chester Stanley.

Mrs. L. D. Owens acted as chaperon for the evening. Mrs. S. J. Hocking,

leader of the choir, was unable to attend because of the serious illness of her father.

Dancing Season Opens With Big Affair Tonight at Kove

The dancing season at Kove Kove will open this evening with an all-night dance at the popular West Side resort. The music will be furnished by Vivian LaSalle's well-known orchestra. The admission will be \$1 a couple. No effort has been spared to make the affair a success, and Managers Crow and Lennox are confident that the dance pavilion will be packed to its fullest capacity tonight. The automobile road leading from the tunnel to the park has been repaired so that two machines are now able to pass.

Inspector B. V. Shirley Left Last Night for Old Kentucky Home

B. V. Shirley, the popular police inspector, left last night on a visit to Kentucky, where he will aid his mother in settling up his father's estate. The inspector is expected to be gone two months.

Tykes and Lasses Brave Storm to Hear Stories Read

Despite the unpleasant weather over 40 youngsters were present at the weekly children's story hour held yesterday afternoon at the West Side library. Miss W. Snell, children's librarian, entertained the little tots with "The Little Grey Pony," and several other stories that the kiddies took great delight in hearing.

It was announced yesterday that a number of new books have arrived at the West Side library, and are now on the shelves ready for use.

Nystrom And Junior High School Bids On April 26

The board of education of the City of Richmond have called for bids for the construction of the Roosevelt Junior High school building and for the new Nystrom school building.

The bids will be submitted on Wednesday evening, April 26.

Plans finally have been adopted, the alterations required by the board having been made by Architect J. T. Narbett.

The cost of the Roosevelt school will be \$200,000 and of the Nystrom school, \$25,000.

Descriptions of the building plan heretofore have been given in these columns.

The Nystrom building will be put up on lots acquired in the Nystrom estate property between Tenth and Eleventh and Florida, and will be of the same type as the Fairmont and Stege schools: one story in height. Superintendent of Schools W. T. Helms states that the old school building in Thirteenth street will be removed to the new site and used for school purposes.

G. E. BANTA AND FAMILY HAVE REMOVED TO LODI

Mr. and Mrs. G. E. Banta and their two children, who have been residing in Pullman, left Thursday for Lodi, where Mrs. Banta and the children will visit her mother, Mrs. J. F. Rolette. They expect to make their home later in Sacramento, where Mr. Banta will have his headquarters as salesman of the silk hosiery mills of Indianapolis. He was formerly in the employ of the Standard Oil Company here.

Included in these is a 30-volume encyclopedia set entitled "Americana."

Allied Band Getting Perfect For Dance Sunday in Oakland

The Allied Band has been putting in some hard practice during the past few weeks for the dance to be given in Oakland tomorrow night by the Ballistic Social Club of Oakland. The dance will be staged in Golden West hall and will be for the benefit of a sick Italian comrade. Many of the local Italians plan to attend.

Stop Worrying About Kidneys

Prove in few minutes that your backache is only Lumbago. Try St. Jacob's Oil.

Kidney cause backache? Not listen! Your backache is caused by lumbago, sciatica, or a strain, and the quickest relief is nothing, penetrating St. Jacob's Oil. Rub it right on your painful back, and instantly the soreness, stiffness and lameness disappear. Don't stay crippled! Get a small trial bottle of St. Jacob's Oil from your druggist and rub it up. A moment after it is applied you'll wonder what became of the backache or lumbago pain. Rub old, honest, St. Jacob's Oil whenever you have sciatica, neuralgia, rheumatism or sprains, as it is absolutely harmless and doesn't burn the skin.

Foley's Honey and Tar Compound

IS PLEASANT TO TAKE, and soothes the raw, inflamed surface; stops the itching, strangling feeling in the throat. It is made of the purest, freshest and finest ingredients to be had, contains no opiates or other harmful drugs, and costs twice as much to make as any imitation of it.

Olive Yeomen Met Last Night

Olive Homestead of Yeomen held its regular meeting Thursday night in Pythian Castle. The feature of the evening was the visit paid by State Manager Elliott, who delivered a very interesting address. R. R. Alderson and J. E. Read spoke on the subject of the C policy. Many visitors were present from Olive Homestead.

"The Child Thou Gavest Me" Again Today at T. & D.

As the basic theme for "The Child Thou Gavest Me," the First National attraction which started a two day run at the Richmond T. & D. Theater yesterday, John M. Stahl, the director, chose the one sure fire subject of the American drama—heart interest. Careful not to reduce his production to sentimental mush, yet never losing sight of the value of the human note in his story, the director made his picture a well-balanced combination of tense drama and subtle humor that cannot fail to arouse instant response in the spectator.

To say that "The Child Thou Gavest Me" is appealing and soul-stirring is not only taking advantage of overworked phrases, but is doing it advisedly with full justification. A person who could sit through this picture without being touched by the plaintive little figure of a boy who lives in a house divided and the situations which naturally arise from this condition is wholly incapable of human penetration or emotion.

"Little Titchie" Hendrick, who plays the part of the little son, is only three and a half years old, but he gives a startling performance. Not for a moment can one realize that the boy is being directed before a motion picture camera; he goes through his part and it is a considerable one—in a remarkably natural manner, apparently oblivious of the fact that there is a cameraman within eye range. "Titchie" appears in fully half of the picture, and one constantly wishes to see more of him.

The remainder of the cast is of all-star calibre, Barbara Castleton, Lewis Stone, Adele Farrington, Winter Hall, William Desmond being included.

A.B. HINKLEY IS DENIED PRAYER

County Clerk J. H. Wells will not have to certify the initiative petition filed by Richmond chiropractors, according to a ruling of the Appellate Court, denying a petition for a writ of mandate filed by Dr. A. B. Hinkley of Richmond.

After the petitions had been filed with the county clerk, an endeavor was made to change them by circuitors. Wells refused on the grounds that it would be defacing a public document.
